Alliance**

Welcome to Carramar Early Learning

We are open from Monday to Friday, 7:00am to 5:30pm and provide quality long day care and modern education for children ages one to six years.

Our spacious classrooms are bright, happy, and well-resourced. The teaching materials in each classroom are specially designed to encourage hands-on learning, independence and problem solving.

At Carramar Early Learning we believe that the early childhood years are a solid foundation for the journey through lifelong learning. We believe a child's work is play and children deserve the opportunity to learn, explore and create through play environments.

Fully accredited under the National Quality Standard

We aim to provide a high-quality childcare and education. We are proud to consistently achieve full accreditation under the National Quality Standard.

Especially unique about Carramar Early Learning, is the wonderful sense of community. Each child's cultural, religious and family background is respected and celebrated.

Carramar Early Learning creates a wonderful learning environment that is focused on inclusion, learning, and the full development of the child.

Ready for Big School

Our program grows with your child at every stage of development and learning to confidently transition to school.

Our multilingual staff members are qualified, highly trained and have valuable and quality experience in the childcare industry.

Our teachers are specially trained in the Early Years Learning Framework, in order to observe and guide each child's unique development journey. In this way, it is our aim to naturally guide each child towards their full potential. As a result, Carramar Early Learning's graduating students are well prepared for school, and a life time of learning.

Our centre proudly offers a preschool program to ensure your child is supported for their transition to school every step of the way. With a focus on language, literacy, numeracy, social skills and more your child will become Big School Ready.

Ask us about how the childcare subsidy can work for you

Understanding the
childcare subsidy can
be confusing at times.

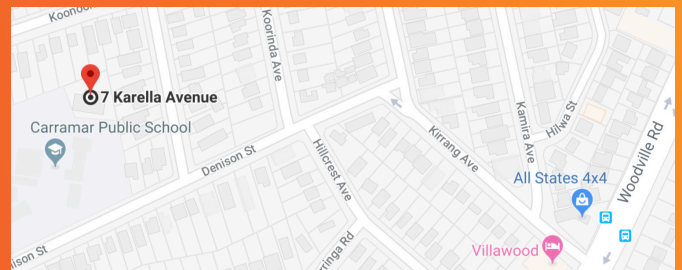

We can help you access
government subsidies
to make your fees
more affordable.

Please visit www.woodville.org.au for information on fees, charges and full terms and conditions.

Talk to us today

We welcome you to contact us
or visit at any time to learn more
about our great centre.

About us

Our centre has a long-standing reputation in the community for providing quality early education and care.

It is fully accredited and is managed by Woodville Alliance and is licensed by the NSW Department of Education and Communities.

We provide a fun, safe, clean and caring environment where your child can learn and play, explore with others and get ready for Big School.

We are a strong advocate for community

Woodville Alliance is a community-based agency, which has been in your community for over forty years, working with children, young people, families and people with disability.

Our work has always been underpinned by a strong commitment to social justice and the learning and well-being of children. We have bilingual educators who will work with you to understand your child's needs.

TOGETHER FOR A BETTER FUTURE
