

We believe children and family are at the heart of our centre, programs and environment.

All children are **capable, competent learners** who grow through play.

Children's rights come first; we hear their voices and advocate for their rights.

Each child is **unique, deserving of respect and equality.** We value them as members of our local and global community.

Children **learn best through creative, nurturing play** that encourages exploration, curiosity and growth.

Our Woodville Alliance
**Early Childhood
Education and Care
Philosophy**

We committed to our quality care and learning approach.

Learning is based on children's interests and the **Early Years Learning Framework** to develop their skills, sense of self and love of learning.

We foster a culture of **environmental responsibility** by embedding and teaching sustainable practices in our everyday routines.

We practice reflection and prioritise **continuous improvement** to support the professional development, growth and excellence of our team.

All children deserve **inclusive access to quality early education.**

We believe in being Inclusive, respecting differences and diversity.

We work in **partnership with families**, respecting their diversity and supporting their role.

We create a welcoming, inclusive environment where children and families feel **valued and respected.** We encourage them to be involved and keep them informed.

Educators work with intention to provide a **culturally safe, healthy**, welcoming and peaceful environment for all to enjoy.

We respect and **celebrate difference, diversity, identity and heritage** within our community, for children and families.

Aboriginal and Torres Strait Islander people and culture are celebrated and embedded in our daily work with children.
